

HOW YOUR MONEY HELPS

\$30

can provide personalised resources to help women facing a cancer diagnosis.

\$120

pays for the collection and processing of a blood sample to help discover more about how cancer develops.

\$250

can ensure our nurses on **13 11 20** are available to answer questions and provide support.

\$400

can provide three counselling sessions with our nurse counsellor, providing emotional support when people need it most.

\$1200

can go towards supporting research into breast and gynaecological cancers.

\$1500

can provide a pop-up cervical screening and/or self-collection outreach clinic, reaching people who are under-screened.

Note: Donations of \$2 or more are tax-deductible. Funds are used to support programs including, but not restricted to, the ones described here.
