

HOW YOUR MONEY HELPS

\$50

helps train a GP to provide optimal skin cancer detection, treatment and prevention care to their patients.

\$60

can enable a cancer nurse to provide information and support to three people affected by cancer.

\$120

helps researchers study blood samples to learn more about how cancer develops.

\$250

contributes towards our nurses being available to answer any question about cancer and provide support via **13 11 20**.

\$350

can support a cancer nurse in a regional health service as they help people navigate a cancer diagnosis.

\$400

can provide three counselling sessions with our nurse counsellor, providing emotional support when people need it most.

Note: Donations of \$2 or more are tax deductible. Funds are used to support programs nationally, but not earmarked for an area described here.
